Can we use a Raspberry Pi model B as FreeDV modem?

I am going to try using them as a headless FreeDV modem similar to the SM1000.
OZ9AEC

6 meter collinear antenna

I like to keep my antennas simple and cheap by using wire as the basis for everything.
High on Solder

Shield Hat: Signal Proof Apparel

It has shielding effectiveness 55dB-65dB from 10 MHz to 4 GHz. Silver is also antibacterial, antimicrobial, antiodor and antistatic.
Shield

Custom 19" cabinet for a portable repeater

A 19 Inch rack mount is a standardized frame or cabinet for mounting equipment modules.
NT1K

How is Amateur Radio in your country?

European Radio Amateurs' Organization's survey wants to determine the current status of amateur radio in your country.
ERAO

Adventures with software defined radio

The SoftRock RXTX Ensemble seemed highly respected and has been available long enough to develop a good user base.
